Please remember that we are an Operation Encompass school.

This is a scheme that runs across the UK in order to provide immediate support for children and young people who are involved in or witness domestic abuse incidents. We are pleased to advise you that schools and colleges in Guernsey and Alderney will be participating in this scheme, which is run jointly with Bailiwick Law Enforcement.

Operation Encompass enables information to be shared with Vale Primary School prior to the start of the next school day, when a child or young person has experienced, any domestic abuse. This allows the Vale Primary School to provide appropriate support, dependent on the needs and wishes of the child. The Designated Safeguarding Leads at the Vale Primary School have been trained to enable them to liaise with the police and to use the information that has been shared, in confidence, while ensuring that the Vale Primary School is able to make provision for possible difficulties experienced by children, or their families, who have experienced a domestic abuse incident.

Should you wish to find out more about the scheme, details can be found at www.operationencompass.org.
